

**SAINT JULIANA PARISH
FIRST RESPONDERS MASS**

Sunday, September 8th 2024 • 11:00am mass

Join us for a Mass in honor of all first responders. As we give thanks to God for the many gifts in our lives, we would also like to thank all first responders for giving of themselves to serve and protect our community with a special blessing. All first responders are encouraged to come in uniform representing their agency, if they so choose. Hospitality in the back of church will follow.
